

TRASH GUIDELINES

THIS IS TO remind all LCICOA owners of What Goes Into the dumpster as well as What Stays Out (restrictions**) as noted by the Disposal company:**

1. Day to day trash and garbage shall be placed in sealed plastic bags before being put in the trash bin.
2. Small cardboard boxes need to to be broken down and flattened.
3. Large cardboard along with ANY product packaging should be taken home and disposed of on your own.
4. All yard debris consisting of limbs goes into the pile on the south side of the property by the garages.
5. Grass or small trimmings, etc. is dumped on the west corner of the property- left side of the parking area.
6. Pick up days are Tuesdays and Thursdays (high peak) by noon.

Please remind your family and friends, renters and cleaning people of these requirements.

Your board thanks you for your cooperation addressing these Best Practices.
